Ku dhiiri geli malaynta iyo farxada hadalka

Lena Sjöberg, sawir u sameeyaha buuggaagta iyo qoraaga buuggaagta carruurta ee ka socda Sandviken, waxay ku samaysay sawirda buug yaraha. Halkan waxay ku sharaxaysaa fikradeeda ka dambeeya sawirada. "Ubaxa waxa uu calaamadaynayaa akhriska laftiisa iyo kartida buuga uu ku dhiirigeliyo malaynta, fahanka dareenka iyo farxada hadalka. Waxaan doonay inaan qaaday dareenka sida akhrisku noo caawiyo in la akro oo la helo fahanka kala duwanaashaha iyo kala duwaansho aad u badan."

Buuggaagta ku qoran buug yaraha waxaa doortay maktabadaha hayayaasha Katarina Larsson xaga Maktabada Dad waynaha Sandviken, Annelie Lindeborg Ojamäe xaga Matabada Magaalada Gävle, iyo Hedda Winther xaga Maktabada Ljusdal. Kama dambaystii, Mahad naq wayn oo ku socda Maktabadda magaalada Eskilstuna iyaddoo nasiisay dhiirigelinta.
